

Jerry Jubert

Educated at the Minnesota Kaplan Professional School in ITA Home Inspection, Jerry Jubert has the knowledge to help you make a well-informed decision regarding the condition of a home.

You will benefit from Jerry's past customer service experience, along with his expertise in rental property management, maintenance, home remodeling, and general contracting.

If you are a first time home buyer or an individual looking for a thorough explanation of the property's deficiencies and unique mechanical features - Jerry's patient approach is for you.

As a professional Minnesota home inspector, Jerry follows the Nat'l Association of Home Inspectors standards of practice.

HOME INSPECTION

**A TRUSTED EYE
FOR YOUR INVESTMENT**

Serving the Twin Cities and Minnesota

IF YOU ARE LOOKING FOR A TRUSTED HOME INSPECTOR TO ASSIST IN A SMOOTH TRANSACTION, JERRY JUBERT IS FOR YOU

You can move through the negotiation process with confidence knowing Jerry is professional, thorough, and client education focused.

Jerry is perfect for the first time home buyer or prospective home owner who appreciates a thorough explanation of the property's deficiencies and unique mechanical features.

You are invited to attend the inspection for mechanical demonstrations, a walk-thru of repairs and safety issues revealed in the inspection, and for general question and answer dialogue.

Jerry is flexible and responsive. The detailed inspection report is emailed to you no later than 9:00 a.m. the day after inspection.
